4Delivery Deliver Early Christmas Present To St Peter & St James Hospice

The entire range of Hospice services offered by St Peter & St James have been funded for a whole day by 4Delivery based in Falmer.

4Delivery Chief Executive Chris Edmondson presented Hospice Head of Fundraising Gill Cronin with a cheque for £3,610. Gill said: "It costs £3,300 to run our Hospice services, which include our in-patient unit, Day Hospice, Specialist Community Team and support services for a day. All of these services are free of charge to our patients and their loved ones. We are delighted that 4Delivery have chosen to support us in this way and would like to express our sincere thanks to all of the staff there for their fundraising efforts."

4Delivery raised the money by holding a ball and chose to support St Peter & St James.
