Snow Fun for St Peter & St James!

Neil Maunick, with his friends Lewis Trower and Luke Hillwood certainly didn't waste the huge amount of snow that fell over Mid Sussex. Instead of concentrating on clearing the white stuff away they decided to build a giant Snowman to raise funds for the Hospice. So far Neil has managed to raise over £200 and with the Harvester Pub in Haywards Heath joining in the fundraising who knows what the final amount will be?

Pictured are Neil and Lewis beside the 16ft Snowman, located near Janes Lane, Burgess Hill. We're not sure how much longer "Snowy" will be here but if you hurry you may catch a glimpse before he melts!!!

Notes to Editors: About St Peter & St James Hospice & Continuing Care Centre

Our mission as a registered charity is to provide specialist care, love and support for those living with progressive, life limiting illnesses from East and West Sussex. We will endeavour to meet the needs of each patient, their family and friends. We aim to encourage and enable all patients to live their lives to their full potential despite their illnesses.

We care for patients from Burgess Hill, Haywards Heath, Lewes, Uckfield and the surrounding villages. Last year we provided care for more than 400 patients and their families. All of our Hospice services are free of charge and we receive less than 20% of our funding from the Government. This means we have to raise more than £1.4 million every year through fundraising. That's £4,000 every single day.
