

Press Release

6th June 2011

Vivienne's Boots were definitely made for Walking!

Vivienne set her challenge initially to raise £750 for St Peter & St James Hospice where she works as PA to the Chief Executive.

Following her successful completion of the West Highland Way 95 mile trek she was astounded to find that she had smashed through her target and raised an incredible £1,162.50

Vivienne said "Although the weather wasn't as dry as we had hoped, the fellowship and friendship of my gallant co-walkers kept me smiling throughout the walk and of course knowing that I was raising money for St Peter & St James spurred me on all the way"

Notes to Editors: About St Peter & St James Hospice & Continuing Care Centre

Our mission as a registered charity is to provide specialist care, love and support for those living with progressive, life limiting illnesses from East and West Sussex. We will endeavour to meet the needs of each patient, their family and friends. We aim to encourage and enable all patients to live their lives to their full potential despite their illnesses.

We care for patients from Burgess Hill, Haywards Heath, Lewes, Uckfield and the surrounding villages. Last year we provided care for more than 400 patients and their families. All of our Hospice services are free of charge and we receive less than 17% of our funding from the Government. This means we have to raise more than £1.8 million every year through fundraising. That's £5,000 every single day.
