Re-fit for the Lewes Shop

One by one each of our shops has been given a 'makeover' and not before time the Lewes Shop has also finally been refurbished! It was long over due for a makeover and as you will see from the 'before' and 'after' pictures it now looks superb.

BEFORE

Even if you are not a seasoned charity shop shopper and harbour a vision of a jumble of second hand clothes and dusty bric-a-brac, you will be truly pleasantly surprised should you visit any of the St Peter & St James Charity Shops. Whether you are looking for clothes, furniture, everyday glass and china, CDs or collectables, you will find them all in one of our three shops located in Burgess Hill, Haywards Heath or Lewes.

Back in August the entire shop had to be cleared out and the builders moved in. Two weeks later the shop had been transformed and the Retail Team worked long and hard to fill it with first class merchandise in time for its grand re-opening.
