caring, loving & supporting

Imagine the scene: a balmy summer's evening in June, seated under cover with your friends against a backdrop of the beautiful Sussex countryside whilst enjoying an open-air performance of Shakespeare's immortal 'A Mid Summer Night's Dream'. St Peter & St James Hospice, in conjunction with Players in the Park, are offering you this opportunity to see Shakespeare's best known and well loved comedy over 10 nights from the 16<sup>th</sup> – 26<sup>th</sup> June whilst raising vital funds to support our hospice services. The performances will take place at Wivelsden Farm on North Common Road, North Chailey immediately opposite the hospice. Stalls will be serving desserts and drinks and you can either bring your own picnic or purchase one to eat prior to the performance as the sun sets.

All of our Hospice services are free of charge and we receive less than 20% of our funding from the Government. This means that we need to raise £1.4 million each year (that's £4,000 a day!). We rely heavily on the generosity and donations of the people within the communities that we serve and thank you in advance for your support.
